## Best of British Special Items

**The miniature Cumberland Pencil Company Van** is a scale model of the van that lives at the Cumberland Pencil Museum in Keswick. The van was used for deliveries in the 1960s and portrays the history and heritage of the Cumberland Pencil Company. The London bus & taxi are also represented here in miniature form, two iconic vehicles of Great Britain.

**The vintage sign** pays homage to the history and heritage of the Cumberland Pencil Company; Celebrating 180 years of quality pencil making, showing photographs of the pencil mill in the early years of the Cumberland Pencil Company.

**Our stylish limited edition Union Jack tin** contains 12 Graphic pencils; probably the most popular graphite pencil in the world, renowned for their smooth lines and consistent quality.

**This Pictorial Map of Great Britain** takes a visual journey through the famous landmarks and wonders of the British Isles. Commissioned especially for the project, artist Andy Read captured the essence of the Best of Britain with Derwent Drawing Pencils.

**The four coasters** feature the stunning artwork of renowned botanical artist Janie Pirrie using the Derwent Artists range. The botanical illustrations depict the four national plants of the British Isles; The English Rose, The Scottish Thistle, The Welsh Daffodil and the Irish Shamrock.
