TOUCH brush!

The ShinHan Brush Twin art markers are the ideal complement to the ShinHan Twin Touch markers. They possess all the same features that make the Twin Touch marker such an ideal artistic tool. These markers give you the feeling of real brush strokes. The new design of ShinHan Brush Twin markers features a distinct fine brush nib on one end and a medium-broad chisel nib on the other, allowing for a wide range of strokes. The brush nib allows you to re-create the techniques more commonly associated with a paint brush. When used together with the ShinHan Twin Touch Markers you have 4 different nib styles to choose from! The durable design of the nib ensures they will not lose their firmness or spring over time. Optimum ink flow and drying rates allow for seamless execution of even the most detailed artwork. The range consists of 168 colours; perfectly matched to complement the ShinHan Touch Twin art markers.
