## Self - Adhesive Solufleece

Solufix is a water soluble self-adhesive embroidery stabilizer.

Ideal for knitted garments as well as jersey, silk and other difficult fabrics.

The self-adhesive of Solufix will ensure no slippage. offers perfect embroideries and avoids distortion.

No need for embroidery hoops or pins and it is so easy to use.

The adhesiveness of solufix holds everything in place before you stitch over it, hence no pins required.

Once you have stitched everything in place , wash out the solufix
