### Course Summary

Textile Surface Decorating is a hands on course. It provides opportunities for teachers to learn and explore the creative possibilities of different textile decorating materials and processes, develop an understanding of how these materials and processes have been used historically and in contemporary practice and how they may be applied in the classroom to invigorate learning in visual arts and design and technology courses.

Techniques in this workshop will include, sublimation of colour, marbling, dry point etching, screen printing, cyanotype printing, working with angelina fibres and distortion of fabrics.

Completing Textile Surface Decorating will contribute 5 ½ hours of NESA Registered PD addressing the standards **6.2.2**, **6.3.2** and **6.4.2** from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.
