4.1 Description of Necessary First Aid Measures

- Ingestion:** Immediately remove product from the mouth and rinse mouth out with plenty of water. Then provide water slowly and as much as casualty can comfortably drink. If discomfort persists or symptoms develop, seek medical attention.
- Eye:** Immediately hold the eyes open and wash with fresh running water. Ensure complete irrigation of the eye by keeping the eyelids apart and away from the eye and moving the eyelids by occasionally lifting the upper and lower lids. If pain persists or recurs, seek medical attention.

- Skin:** Not applicable for normal use. If skin reaction or irritation occurs, discontinue use and seek medical attention.
- Inhalation:** If fumes or combustion products are inhaled, remove to fresh air.

4.2 Medical Attention and Special Treatment

- First Aid Facilities:** No special facilities required.
- Comments:** Treat according to person's condition and specifics of exposure Page 3 of 10
